

SESSION — ACTIVITY (15-20 MIN) • STUDENT HANDOUT • SLOT D

Visualization Matching Game

R.No: 18 Reg. No: 192325036 Name: KUMMARI HEMA SAI SIDDARTHA

Each chart on the left (A-J) matches exactly one description on the right (1-10). Write the matching number next to each letter's blank.

A.

1. Shows the distribution of a single continuous variable

B.

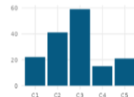

2. Compares distributions across groups and highlights outliers

C.

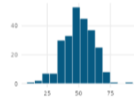

3. Shows magnitude across two categories using color intensity

D.

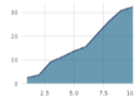

4. Shows how a value changes over time

E.

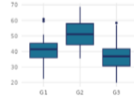

5. Shows part-to-whole composition across categories

F.

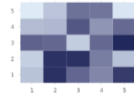

6. Shows three variables at once using position and size

G.

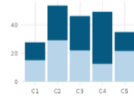

7. Compares amounts across separate categories

H.

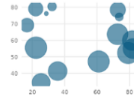

8. Shows the relationship between two continuous variables

I.

9. Shows how a cumulative total changes over time

J.

10. Shows how parts contribute to a whole

ANSWERS

Visualization Matching Game

Chart Matching Description

- A** **8** – Shows the relationship between two continuous variables
- B** **10** – Shows how parts contribute to a whole
- C** **4** – Shows how a value changes over time
- D** **7** – Compares amounts across separate categories
- E** **1** – Shows the distribution of a single continuous variable
- F** **9** – Shows how a cumulative total change over time
- G** **2** – Compares distributions across groups and highlights outliers
- H** **3** – Shows magnitude across two categories using colour intensity
- I** **5** – Shows part-to-whole composition across categories
- J** **6** – Shows three variables at once using position and size
